- B. The statewide EC shall be elected at the Annual Convention. The terms of EC members shall end when the EC election occurs at the next Annual Convention.
1. There is no limit to how many terms an individual may serve on the EC.

1. Committees shall be given assignments by the EC, may have a budget set by the EC, may have a sunset date, and shall report on their accomplishments to the EC. Committees shall be chaired by a KYP member selected by the EC.
 2. Advisory groups may be formed by anyone in Kentucky and shall not be considered to be part of the KYP. The EC may ask an advisory group to work on something, but it is not obligated to do so. Advisory groups should send a report on their activities to the EC at least once every three months but are not required to do so.
- (Example: An advisory group composed entirely of Republicans may form, send a 12–page email to the EC every three months urging the KYP to amend its bylaws and to place itself under the control of the Republican Party of Kentucky, and the EC may reply to them every three months and say that it received their advice but “that will not be happening any time soon.”)*

- K. Amendments to the bylaws or platform of the statewide KYP may be made by the EC at any time by a vote of at least 5 of the 7 EC members.

Article VI. Process

- A. The KYP shall decide issues and choose candidates by voting.
1. The KYP shall use ranked choice voting whenever possible and shall promote it statewide for all parties in all primary, special, and general elections. When a question is called to a vote or during the election or nomination of KYP candidates, if there are more than two options, then preferential voting, also known as instant–runoff voting, shall be used to determine the winning choice.
 2. Proxy voting is prohibited at all levels of the KYP.
 3. The “unit rule,” or any rule or practice whereby all members of a KYP unit or delegation are required to cast their votes in accordance with the will of a majority of the

body, shall not be imposed upon any meeting, committee, assembly, convention, or caucus of members of the KYP.

- B. The statewide EC and all local executive committees shall maintain some kind of on-line meeting capacity for their members. Once instituted, this capacity shall be made available to all KYP members and this access may not be revoked for anything but the most severe reasons (such as someone misusing the online meeting capacity to commit crimes).
- C. The KYP and/or local chapters shall sponsor pre-primary debates—virtual, in-person, or hybrid—in all primary races in which one or more KYP members are on the ballot. The KYP may sponsor presidential primary debates for all of the candidates for President or their designated representatives, regardless of party, even if no KYP member is on the ballot for the presidential primary in Kentucky.
 - 1. In primary races where one or more KYP members and one or more other candidates are on the ballot for the same office, the KYP shall invite all of the candidates on the ballot to all of the pre-primary debates. Article VII. Local Chapters

- A. The smallest subdivision of the KYP shall be one county.
- B. If at least 100 members of the KYP in a given area in Kentucky want to form a local chapter, they may petition the statewide EC to do so. The statewide EC may establish a procedure for setting the boundaries of two or more local chapters that are near each other. The EC may adjust the boundaries if changing circumstances make that necessary.

(Example: Suppose that the first three local chapters that form are Eastern, Central and Western Kentucky chapters and that those three chapters cover all of Kentucky. Suppose the KYP members in Boone, Kenton, Campbell and Pendleton Counties want to form a Northern Kentucky local chapter. They could propose adjustments in the existing boundary lines, and the EC would decide whether to approve, reject or alter the proposed new boundaries.)

- C. Each local chapter may have its own bylaws and its own platform or it may adopt the bylaws and/or platform of the statewide KYP. Before a local chapter may be established, the statewide EC shall ensure that the proposed local chapter's bylaws and platform are consistent with the bylaws and platform of the KYP.
- D. A local chapter shall have a chapter EC of seven members, a Chairperson, a Vice-Chairperson, a Secretary, and a Treasurer. The EC of any local chapter may develop and propose amendments of the chapter's bylaws at any time and send them to the statewide EC for approval, revision or rejection.
- E. If a local chapter repeatedly acts in violation of these bylaws, its own bylaws, Kentucky law, or the Kentucky Constitution, the statewide EC, after giving the issue one or more open hearings, may overrule the improper decisions of the local EC, remove one or more members of the local EC from their positions, or if necessary, abolish the local chapter and change its former boundaries accordingly.

- F. A decision by the statewide EC may be appealed by a local chapter if the chapter determines that decision is unlawful or severely violates the foundational principles of the KYP as expressed in these bylaws. The EC shall provide for an open hearing of the local party's grievance. Local chapters should not file an appeal unless other methods of resolving the grievance have been used first without success. In all appeals, the decision of the statewide EC shall be final.

Article VIII. Platform

- A. The KYP shall produce a platform every year. The platform shall be named for the year in which it is produced (for example, the KYP Platform of 2025). Each year's platform shall contain the provisions of the platforms of the three years previous, including such amendments and modifications as may have been properly instituted.
- B. The KYP shall establish a Vision Committee, hereafter referred to as the VC, to produce the platform. The VC shall be named after the year in which it is constituted (for example, the VC of 2028). The EC shall appoint the Chairperson and Secretary of the VC for each year. The VC shall meet until the platform is produced, then disband.
 - 1. The VC shall meet during the Annual Convention but its deliberations may continue past the end of the convention. In-person meetings are preferred but on-line and hybrid meetings are allowable.
- C. An item shall be proposed for the platform through individual nomination and a petition signed by at least five KYP members. No individual may nominate more than one platform item per year. The signed petition must be provided to the EC no later than the last EC monthly meeting before the Annual Convention, and the proposed platform item must be phrased in the form of a ballot question, such as "Shall the KYP Platform of [current year] contain the following provision:". The Secretary of the EC shall confirm the receipt of the ballot question in its proper form, add it to the agenda, and keep the sponsor informed of this activity.
 - 1. In the absence of any other platform, the platform of the KYP shall consist of Article II sections A through F of these bylaws.
- D. Quorum for the VC shall be five if both the Chair and the Secretary are present, seven if only the Chair or the Secretary are present, and 12 if neither the Chair nor the Secretary are present. Non-members of the KYP may attend VC meetings but do not count towards quorum and may not vote. Individuals may be removed from a VC meeting, following a properly constituted motion and group vote, for openly disruptive activity.
 - 1. The Secretary of the VC shall compile and maintain a contact list of all those wishing to participate in the VC. The Chair shall publicize VC meetings and appropriately notify all interested parties.
- E. The VC shall produce the platform by approving, amending, or rejecting each proposed platform item in the order determined by the agenda.
 - 1. The VC should consider all proposed platform items in the context of Article II of these bylaws.
 - 2. The Secretary of the VC shall maintain a public record of the deliberations of the VC and the current status of the platform.
- F. The EC shall review all platform proposals submitted by the VC promptly. The EC may accept, reject, or amend all platform proposals submitted by the VC. If the EC

votes to amend a platform proposal, it shall send the EC-amended platform proposal back to the VC, which may agree to the EC's suggested amendment, reject it, or propose new wording. If the VC returns a platform proposal to the EC without amendment three times, then it shall be accepted into the platform with no alterations.
